On 30 April 1945, Task Force RITCHIE, commanded by Lieutenant Colonel PAUL J. Task Force Ritchie at this time had been dissolved and the Company moved to NEUNDORF on 5th of May 1945.

Company "C" maintained a Defensive Position across the ELBE River with the 1st Platoon attached to 331st Infantry Regiment at BADEZ, placed on a half hour alert and remained so until 5 May 1945. The Company (-1st Platoon) was in position at WALTERNIENBERG where Task Force Rogers was formed. Task Force Rogers was composed as follows - Company "C" (-1st Platoon); 1st Platoon of Company "D"; and Company "L" 331st Infantry Regiment under the command of Captain GLYNN O. ROGERS. The Medical Detachment remained in position at WALTMANIENBERG (D889823), with the exception of Medical Teams that were assigned to various Companies throughout the Battalion. At an Officer's meeting at the Battalion CP in CALBE Lt Col RITCHIE informed those present that the Battalion's mission was to establish and operate as Military Government. For this new mission, the Battalion was assigned to Division Artillery. Upon receipt of orders, the Battalion moved as a unit from their former locations to WOLFENBUTTELE (C917998), where the Battalion CP was set up. Battalion, and last but not least to attempt to restore Germany as a Democratic Nation - within the areas assigned to the Battalion.

10 May - 19 May

Company "B" was relieved from assignment of governing OLBER (C713921); responsibility was assumed by "D" Company. Previous to this, "B" Company was assigned a very large area to Govern and almost every man was either on guard or pulling double shifts. The change of assignment of areas provided for a better means of equalizing responsibility throughout the Battalion and gave each Company an opportunity to rest and refit troops. On the 12th of May each member of the Battalion saw the long awaited film "Two Down and One To Go" and the VE Day film which provided for a better understanding of the "Point System" that Govern the Redeployment and Readjustment of Troops. Parties were held by all Companies in their respective areas, celebrating VE Day. All movies were held in Headquarters Company Mess Hall. On the 13th of May another change in responsibility of areas had taken place - "B" Company was relieved from the assignment of governing the town of KL ELBE (C732895) and responsibility was assumed by "C" Company. 1st Lt JAMES CROWLEY, assigned to "A" Company left for a furlough to the United States. During the remainder of the period up to 19th May the Battalion was primarily engaged in Military Government and guarding of vital installations; Tours were conducted through Herman Goering works and movie pictures were shown as often as possible. This was the only form of entertainment available for the troops.

On the 19th of May, Headquarters and Headquarters Company left LICHTENBERG to proceed to BADDECKENSTEDT (C719901) to assume control of new areas assigned the Battalion by higher Headquarters. Headquarters and Headquarters Company were billeted in BADDECKENSTEDT with the exception of the Mortar Platoon which was billeted in BINDER (C68912) and assigned a task of providing road blocks in the vicinity of BINDER. "A" Company remained in LESSE (C725989) to continue with their assigned mission of governing that area. "B" Company remained in GUSTEDT (C960915) to continue with their assigned mission of governing that area. "C" Company moved to SEHLDE (C735855) to assume responsibility of Military Government. Service Company moved to KL HEERE (C718887) to assume responsibility of Military Government. "D" Company moved to WALTWINSCH (C740040) to continue with their mission of Military Government, while the Medical Detachment moved to BADDECKENSTEDT.

20 May - 21 May

Upon arriving in new areas, all Companies in addition to occupying and governing their assigned areas, began the task of re-painting and re-servicing all vehicles. Training schedules were placed in effect, softball teams (inter-Battalion) were organized under the supervision of Capt GLYNN O. ROGERS, six (6) hour passes were established and a quota of men from each Company began daily visits to BAD HARZBURG for recreational purposes.

22 May - 24 May

The Battalion during this period carried on with its primary mission of Military Government. Personnel not engaged were following a Battalion Training Schedule. Foreign vehicles that were in the Battalion were turned over to Battalion Supply to be evacuated to Ordnance Depots. Lt Col RITCHIE received notification by phone that the Battalion would be prepared to participate in a Ceremony held in honor of high ranking Russian Generals, who were guests of the Commanding General, XIII Corps, 26 May 1945.
